**KLEIN
TOOLS**

- 1000V insulation rating on handle and bits meets or exceeds ASTM F1505 standard for electrical safety
- Orange impact and flame-resistant insulation layer protects from energized sources during electrical work
- Auto-locking collar automatically secures bits by pushing in, slide forward to release for quick changes
- Slim tip geometry machined for superior access into tight terminal blocks and confined electrical spaces
- Cushion-Grip™ handle delivers greater torque and comfort

A-32306INS

- Determines 3 phase sequence and quickly identifies L1, L2, and L3 order for correct motor rotation
- Indicates phase rotation with a clear clockwise or counterclockwise direction shown on the LCD
- Provides an LCD display with bright, easy to read visibility in all environments
- Features double insulation to ensure safe operation up to CAT III 600 V
- Offers a compact and lightweight 160g design ideal for field use

A-ET170

50 TO 2,000 PPM

- Lightweight, pocket-sized design with a pen clip makes it easy to carry and always within reach
- Bright LED visual and escalating audible tones ensure you'll never miss a warning, even in noisy or low-visibility environments

A-ET190

**KLEIN
TOOLS**

25MM

- Includes a 10 piece blade kit
- Screw lock and release blade
- Each blade has 6 snap-off sections
- Trade tough plastic body
- Stainless steel guide

A-44399AU

**PRE-ORDER
ARRIVING
LATE AUGUST**

**Wattmaster**

- Designed to remove sheathing on large diameter cables (>25mm)
 - Longitudinal and circular cuts
 - Improves operator safety
 - Damage free stripping
- WATCSSB25**

CARRY CASE INCLUDED

FIXED BLADE RASPING JAB SAW WITH SHEATH COVER

- Rasping holes for quick material removal, allowing enlargement of holes and smoothing of edges with ease
- Sturdy sheath protects other tools, ensures safe transport and storage, and securely locks the blade into the sheath for added safety
- Wide, cushioned handle base provides surface for palming or punching through drywall, enhancing efficiency and reducing strain
- Triple ground teeth for cutting in both push and pull directions, delivering faster and cleaner cuts

A-31711

MAGNETIC MINI RATCHET SLIM-PROFILE

- Magnetic mini ratchet with strong magnetic capability allows bit to transfer magnetism and hold onto metal fasteners through entire bit length
- 90-Tooth low profile gear head allows for controlled turning in tight spaces
- Removable four bit storage on handle includes #2 Phillips, 1/4" Slotted, #2 Square, and a 1/4" Nut Driver Adapter

A-65200MAG

FASTBIT TRU-GRIP SCREWDRIVER 1X PH2 1X SL6 BIT

- Ball-style handle design provides exceptional torque for professional electricians and construction workers during repetitive fastening tasks
- Compatible with most 1/4" hex bits longer than 1.5" including impact bits, power bits, and specialty bits, eliminating the need for multiple screwdriver handles
- Fastbit collar mechanism allows quick bit swapping by simply pulling down collar; no tools needed for quick transitions

A-32960A

GRAB-AND-GO IMPACT SOCKET SETS, METRIC 7 & 9 PIECE

- Engineered with optimized wall thickness and precision hex pockets to securely grip fasteners and provide quick access
- Convenient carabiner attachment lets you secure the socket sleeve to backpacks, tool bags, or belts for instant access and improved job site productivity
- Long lasting, industry-standard colour-coded painted rings and bold stamped size and high contrast paint infill size markings to quickly identify socket sizes
- Superior cold forged, heat treated Cr-Mo steel construction provides impact-rated strength designed to withstand high-torque jobs
- Socket sleeve features a mechanical grip system around the colour band or secure socket retention; easy removal for rapid socket changes
- Includes 3" impact adapter for compatibility with 1/4" impact drivers

A-33808M

Grab-and-Go Impact Socket Set, Metric 7 Piece

A-33809M

Grab-and-Go Impact Socket Set, Metric 9 Piece

TITANIUM-COATED PROFESSIONAL SHEARS HIGH LEVERAGE 10"

- Cut thick leather, flooring, roofing and thin sheet metal
- Shears have ambidextrous grips for maximum comfort and a wide range of use
- Adjustable screw maintains preferred tightness over time for consistent, reliable performance
- Ergonomic molded grip enhances comfort and control
- Serrated blades enhance grip and prevent slipping
- Full Metal Tang for long term strength

A-T2111

HIGH TENSION HACKSAW

HIGH TENSION 6" & 12"

- Hacksaw has a heavy duty frame for enhanced strength and durability with a bi-metal blade designed to cut metal, PVC, and wood
- Reciprocating blade mount allows for seamless conversion of hacksaw into jab saw without tools
- Top mounted tension knob provides ability to apply up to 30,000 PSI
- Alternate between 45° and 90° blade mounting for flush cutting
- Includes 12" x 24 TPI bi-metal hack saw blade and 6" x 24 TPI bi-metal reciprocating saw blade

A-31430

COMFORT GRIP CROSS CUT PLIERS

215MM LONG

- Hardened blades with built-in crimper
- Cross hatch nose grip, grips thin material firmly
- For cutting TPS cable and circular cable
- Comfortable handle grips

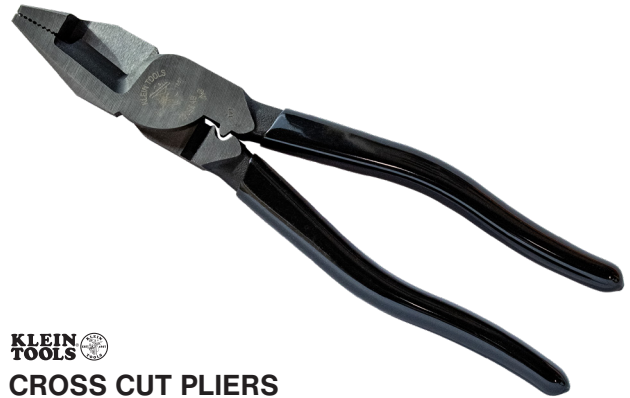

A-12099AU

KNECT™ FLIP-24 DEEP-WELL, HEAVY-DUTY IMPACT SOCKET SET, SAE AND METRIC

- Set includes 3/8" square drive ratchet, 1/4 x 5/16, 3/8 x 7/16, 1/2 x 9/16, 5/8 x 3/4, 11/16 x 13/16 and 7/8 x 1" socket sizes and 8 x 10, 9 x 11, 12 x 14, 13 x 15, 16 x 18 and 17 x 19 mm
- Six smaller sockets (1/4" to 9/16" and 8 to 14 mm) are stackable on 650QSAL to quickly change socket sizes and reduce the number of tools needed

A-65626

CROSS CUT PLIERS

215MM LONG

- Hardened blades with built-in crimper
- Cross hatch nose grip, grips thin material firmly
- For cutting TPS cable and circular cable
- Vinyl dipped handle grips

A-12099AB

CABLE STRIPPING ELECTRICIAN SCISSORS

LONG REACH 7"

- Stainless steel blades effortlessly cut cordage, plastic, cable, and wire with lasting durability
- Heavy duty scissors safely strips various data cable with integrated data cable stripper
- Serrated blade edges reduces slipping for clean cuts
- Integrated cable cutter for maximum leverage
- Ambidextrous, molded grip enhances comfort and control

A-2100CS

INSULATED CROSS CUT PLIERS

1000V RATED

- Hardened blades with built-in crimper
- Cross hatch nose grip, grips thin material firmly
- For cutting TPS cable and circular cable
- Durable moulded insulation meets or exceeds IEC 60900:2018 standards for insulated tools

A-12099AEINS

ROLLING TOOL BACKPACK

28 POCKETS

- Features 3" heavy-duty wheels that can truck through unpaved paths
- Easily convert from carrying the backpack to rolling the tool bag by extending the telescoping handle and stowing the shoulder straps behind the back padding
- Handle wraps along the sides of the bag to provide extra support and stability when maneuvering around corners
- Extra padding on back extends over the hard bottom for carrying comfort

A-55604

AVIATION SNIPS

2 PIECE KIT

- Offset blades keep user's hand above material being cut and flow material away from the blades
- Forged and heat-treated steel blades for strength and durability
- Cuts up to 18-gauge cold-rolled sheet metal and 22-gauge stainless-steel sheet metal
- Spring-loaded for self-opening action
- Safety clasp keeps jaws closed when not in use

A-2490LRAU

UTILITY BORESCOPE

3 METRE NYLON CAMERA PROBE

- Borescope features compact 5.5mm water-resistant camera (IP67 for camera head and cable) with 720p resolution
- 4.3" colour LCD screen for clear viewing
- 10' nylon snake navigates through twists, turns, and bends
- Includes hook, magnet, and mirror attachments to tackle wide variety of applications

A-ET17

PRO BORESCOPE

3 METRE ARMoured CAMERA PROBE

- Borescope has a Compact 5.5 mm water-resistant camera (IP67 for camera head and cable) with 720p resolution
- 4.3" colour LCD screen for clear viewing
- 9.8' armored snake easily navigates through areas that are unreachable or difficult to view
- Includes hook and magnet attachments to tackle wide variety of applications

A-ET19

GRAB-AND-GO IMPACT SOCKET SET

SAE, 7-PIECE

- SAE impact socket set covers essential sizes: 1/4", 5/16", 3/8", 7/16", 1/2", and 9/16"
- Engineered with optimized wall thickness and precision hex pockets to securely grip fasteners and provide quick access
- Convenient carabiner attachment lets you secure the socket sleeve to backpacks, tool bags, or belts for instant access and improved job site productivity

A-33808

DIAGONAL CUTTING PLIERS, TAPERED NOSE, 5"

- Diagonal Cutters have tapered nose for working in confined areas and close tip cutting
- Pliers' short jaws and beveled cutting edges permit close cutting of wire
- Induction-hardened cutting knives for long life
- Hot-riveted joint ensures smooth action and no handle wobble

A-D245-5

MULTIFUNCTION LINE SPLITTER

3-IN-1

- Includes, AC line splitter, socket outlet tester, RCD function test
- Current measurement of appliances up to 10A without splitting the power cord
- Current to be measured through the 1x and 10x loops
- Correct socket wiring is confirmed by led lighting sequence
- RCD tripping function can be simulated with onboard test button

A-69400AU

TOOL BAG, TRADESMAN PRO™ TECH BAG

22 POCKETS W/LAPTOP POCKET, 16"

- This Tool Organiser Tech Bag has a separate compartment keeps laptop protected from other tools
- Tool bag includes storage space for adapters and cables
- Zipper pocket for files and paperwork
- Organiser pocket for pens, phone, cables, and more
- 22 pockets for tons of tool storage

A-55455M

INSULATED SCREWDRIVER SET

6 PIECE

- Slim-profile insulation allows access to recessed screws
- Clearly marked with the official 1,000-volt rating symbol
- Anti-roll design prevents tool loss
- Durable, moulded insulation to meet or exceed all VDE standards for insulated tools
- Ergonomic handles for greater torque and comfort

A-32317-INS

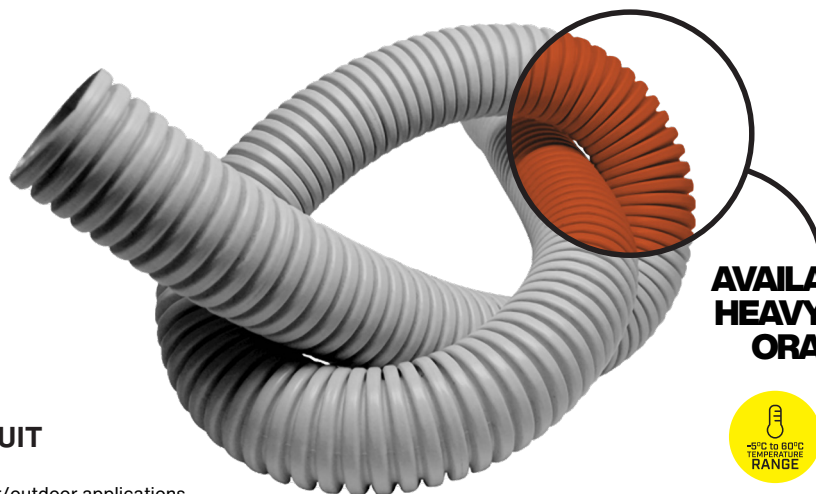

SCREWDRIVER & NUT DRIVER

11-IN-1 MAGNETIC TIPS

- Integrated screwdriver / nut driver magnetic barrel holds 8 popular tips and converts to 3 nut driver sizes
- Strong, Rare-Earth magnets securely hold bits and fasteners
- Industrial strength heat treated bits
- Interchangeable shaft for quick and easy switch out
- Cushion-Grip™ handle for greater torque and comfort

A-32500MAG

Alco

CORRUGATED CONDUIT RANGING FROM 20 - 63MM

- Medium & Heavy duty for indoor/outdoor applications
- Ribbed corrugated design allows easy installation in tight spaces
- Made In Australia, AS/NZS compliant, BEP certified, lead free
- Shields cables from mechanical stress (crushing, impact), dirt, dust, and moisture

**AVAILABLE IN
HEAVY-DUTY
ORANGE**

**CLEAR LIDS
AVAILABLE**

Alco

JUNCTION BOX ENCLOSURE WITH ACCESSORIES

105 X 105 X 72MM

- Wide-ranging solution for junction boxes and control enclosures
- Compliant with AS/NZS60529 and IP66, Dust and water resistant when installed correctly
- High impact resistance
- Fully insulated it comes with 2x20mm and 2x25mm screwed adaptors ALCEZIBOX1X

**CLEAR LIDS
AVAILABLE**

Alco

JUNCTION BOX ENCLOSURE 160X120X93MM

- IP66, Dust and water resistant when installed correctly
 - Compliant with AS/NZS60529
 - High impact resistance
- ALCEZIBOX4**

WattmasterPRO

COMBINATION PLIERS

HIGH LEVERAGE 225MM

- Non-slip handles to offer users extended comfort
- Effective low loss of force means less force needed for cutting
- Strong holding power and increased strength due to rivet placement
- High leverage design for increased grip and cutting power
- Premium Japanese quality and design

WAT3000TPZ-225

WattmasterPRO

CATCH NIPPERS 125MM

- Designed to catch off cuts of cable ties, wires & components
- Suitable for nylon cable ties & copper wire up to 2mm thick
- Premium Japanese quality and design
- Ideal for when you don't want to drop or leave anything behind in computers, motors or other sensitive equipment

WAT90CS125

Wattmaster

CLAMP METER TRUE RMS CAT III 600V / CAT IV 300V

- Handy & small clamp multimeter that measures True RMS AC current
- Using the instrument it is possible to measure currents as high as 600A AC
- Multimeter function provides measurements of voltage, resistance and continuity
- The AmpTip function offer the possibility to measure current from 0-60A with extra high accuracy

WATEL-BM031

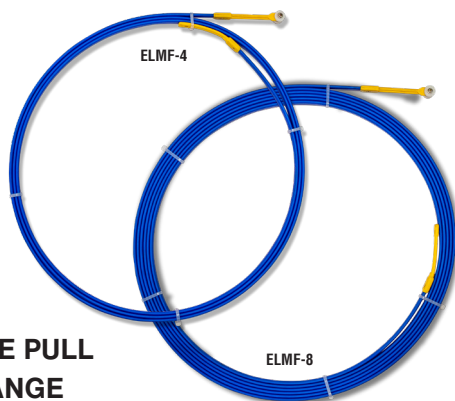

Wattmaster

MULTIMETER RMS WITH AUTO CHECK WITH PC/DATA LOGGING AND TEMPERATURE CAT III

- Handheld digital meter with ruggedised body
- Auto-ranging and auto power off
- Data hold function and overload protection
- Wrong input warning
- True RMS and temperature measurement

WATEL-BM257

Wattmaster BLUE TONGUE PULL THROUGH RANGE 4M & 8M

- Allows for single person operation
- Perfect for wall cavities, suspended ceilings, and tight spaces
- Includes a tail end, guide wheel and hook attachment

ELMF-4	4m Blue Tongue Pull Through
ELMF-8	8m Blue Tongue Pull Through

Wattmaster LOCK OUT TAG KITS PLASTIC & STEEL

- Convenient carry bag
- Steel or nylon shackle padlocks
- 10 lockout tags
- Mini & large circuit breaker lockouts
- Erasable black ink pen

WATLOCKOUTKITP	Lock Out Tag Kit Plastic Hardware
WATLOCKOUTKITS	Lock Out Tag Kit Steel Hardware

Extreme Magnet
Holder With
Carabiner

Wattmaster EXTREME MAGNET WITH EYE BOLT HANDLE

- Multi-use industrial strength magnet
- Small and easy to carry
- Ideal for locating metal behind walls
- Blue for easy visibility

WATXMAGH	Extreme Magnet Holder With Carabiner
WATXMAG1	Extreme Magnet With Eye Bolt Handle

Wattmaster POWERBIT PHILLIPS NO2 DOUBLE ENDED 75MM MAGNETIC 5 PACK

- Designed for high torque applications
- High quality S2 alloy steel
- Precision fit-tip
- Head type is colour coded for easy identification

WAT91002D

Wattmaster MINI CLAMP METER 400A AC/DC TRUE RMS

- Handheld digital meter with ruggedised body
- Auto-ranging and auto power off
- Data hold function and overload protection
- True RMS
- Highly efficient fuses and handy backlight for dim areas
- With non-contact voltage indication

WATEL-CM07

Wattmaster RCD TESTER DIGITAL CAT III 300V

- Compact RCD tester with multi-colour graphic display ensures excellent legibility
- Built-in LED light illuminates objects in dim areas
- Measures trip out time, trip out current and contact voltage
- Low battery indication and blown fuse indication
- Auto power off and overload protection with non-contact voltage indication

WATEL-DRCD

RCD & OUTLET TESTER

Measures:

- ✓ AC/DC Voltage
- ✓ Resistance
- ✓ Continuity
- ✓ Battery and RCD function testing
